

Aryaloka's Pledge Drive

An Appeal for Generosity

Aryaloka's mission is to create the best possible conditions for people to explore, practice and share the Buddhist spiritual path for the benefit of all beings.

WHY DO SANGHA MEMBERS PLEDGE TO ARYALOKA?

"I give to Aryaloka because it matters." – *David Watt*

"I give to Aryaloka, because I am so grateful for all I have received. The donation is a small way to give back to a place that has been a refuge and a place of joy for me." – *Deb Howard*

"Receiving the Buddha's teachings and sharing my spiritual life with such wonderful people are gifts for which I could never express enough gratitude." – *Vidhuma*

Each of us has our own reason to give, and each gift builds our practice and our community.

Our pledge drive is a vital source of funds, providing the bedrock of certainty to our monthly income. These gives allow us to plan and dedicate our resources towards teaching and spreading the Dharma.

If you're already pledging, sadhu! We gratefully appreciate your dana.

If you've not yet pledged, will you join us?

HOW MUCH SHOULD I PLEDGE?

Our average pledge is \$45 per month, although the numbers vary from less to quite a bit more. We welcome your pledge at whatever level feels right. This table might help you choose a level based on your income and commitment.
